

**THE GORDON RIGG
BRADFORD PREMIER LEAGUE**

EDI Report Form

Whenever anybody has a concern regarding a possible breach of the league's EDI Policy it is important that it is shared with the league. The EDI Officer will study every report closely and decide whether he needs to conduct a formal investigation. The league does not condone personal abuse or vilification of any kind and it is the duty of everyone to ensure our game is inclusive, where everybody is treated as an equal, and free from discrimination of any kind. Reports can be made by umpires, players, scorers, club officials or spectators.

Remember, crude personal abuse is not banter and must be reported and eliminated.
