

Home Office Immigration Rules for Cricket Overview Updated January 2021

The following table is provided as general overview only. The ECB are not registered immigration officials therefore if you require specific immigration guidance you will need to contact UK Visas and Immigration. Anyone wishing to use the services of a player and/or coach, from outside the United Kingdom, must ensure that the visa/entry mechanism allows them to play and/or coach.

Please note that these immigration routes do not define the registration category of a player - please refer to the relevant set of player registration regulations, either at www.ecb.co.uk or at local League level.
